IN SIGNING THIS APPLICATION, I UNDERSTAND THAT:

- 1) I am willing for my child to abide by the policies and philosophy of education at Grace International School.
- 2) I will support and help my child to observe all school regulations, including protecting the school's equipment, buildings, property, and good name. I acknowledge that if my child or I should become dissatisfied and publicly critical of the work of the school, its spiritual standards, or its educational process, my child may be dismissed.
- 3) The administration has full responsibility for placing my child in the proper grade.
- 4) The teacher/administration has full discretion in classroom discipline as specified in GIS policy.
- 5) I understand that Grace International School does not discriminate in its enrollment practices against any person because of race, sex, color, nationality or ethnic origin.
- 6) Tuition is to be paid on time as per the agreed upon schedule. **A late fee of 150 baht per day per family is automatically charged for late payment of tuition. If the cumulative late fee reaches 1,500 baht, the school will take further action to ensure the outstanding balance is paid.** If a problem should arise regarding my payments, I will contact the registrar as soon as possible, BEFORE the due date and the assessment of late fee. I understand that my child will not receive his/her report card and/or graduating diploma or be re-admitted in the fall unless his/her current year fees are paid in full by the due date or agreed upon date. Students attending school for any part of a quarter will be billed for the entire quarter for all tuition and fees.
- 7) Entrance fees are due within four weeks of acceptance or by the first day of school if acceptance occurs less than four weeks from the first day of school. They are non-refundable.
- 8) Enrollment of my child in GIS is contingent upon GIS extending an invitation of enrollment, my acceptance of the invitation and meeting the requirements of acceptance. My acceptance must include that my child (if required) and I must sign the "Parent and Student Agreement". Failure to submit this signed agreement will result in removal of the invitation of enrollment or the immediate removal of my child if he/she has been conditionally accepted.

**By signing this agreement, I am expressing intent to enroll my child for the entire year. Should I elect to discontinue this contract, or my child be dismissed by the school, the payment of all fees and tuition paid at that time shall be considered non-refundable.**

I hereby certify that the facts set forth in this application are true and complete to the best of my knowledge. I understand that discovery of falsification of any statement or significant omission of facts during any phase of the application process may prevent my child from being accepted, or if accepted, may subject my child to immediate dismissal.

I further certify that I have carefully read and do understand the above statements.
