

Grace International School

2020-2021 Extension Services Division Fees

ESD Registration Fees:

Standard Rate 5,000 baht per student, per semester

Partner Rate 3,000 baht per student, per semester

Partner families receive lower rates because their organizations offer substantial support to the school and to our non-Thai staff (who donate their salaries back to Grace).

Multi-Child Discount:

ESD registration fees apply to the first three children in a family. Fourth and subsequent children enrolled during the same semester incur no additional ESD registration fees. Other fees are not subject to the multi-child discount.

Additional Fee:

Application fee (one-time fee): 800 baht

Educational Support Fees:

Families enrolled in ESD can request assistance from the GIS Educational Support Division, subject to staff availability. There is no cost for an initial consultation with educational support personnel (to be arranged through Extension Services). Fees for formal evaluations and ongoing educational support services are available upon request.
